3. Special Town Meeting June 24 adjourned to September 16, adopted new by-laws, subject to approval of Attorney General.

4. Special Town Meeting December 2

1. Unanimously voted that the town join the Dighton-Rehoboth Regional School District by accepting the agreement establishing the district. (This was defeated in Dighton and Rehoboth.)
2. Approved the transfer of \$1,157.71 from the Welfare Administration account to pay bills of previous years.
3. Approved the transfer of a total of \$2,826.28 for Veterans' Services:

From Welfare Administration	\$ 579.36
From surplus revenue	1,246.92
From Board of Health	1,000.00

SELECTMEN'S REPORT

The State take-over of Public Welfare at mid-year relieved the town from some of its financial burdens.

The many town departments remained within their budgets with few requiring transfers of funds to continue to the end of the year.

A joint meeting with the Dighton Selectmen and representatives from the Department of Public Works was held for the purpose of a proposed location for a new bridge over the Taunton River.

Continued reconstruction of a section of Anthony Street was made as far as funds permitted.

One matter of grave concern is the rash breaking, entering, and larceny from homes, businesses, and public buildings.

For future highway construction, we recommend that additional funds be accumulated to reconstruct the remainder of North Main Street to Berkley Street.

We wish to express our appreciation to all for their cooperation with us in the conduct of the town's business.

Respectfully submitted,

HAROLD G. ASHLEY

EINO H. SILVAN

ARTHUR P. MILLER

REPORT OF THE TOWN AUDITOR**(As of January 31, 1969)**

Board of Selectmen
Town of Berkley

An examination of the Tax Collector's records is now being conducted. Listings of the unpaid taxes due the town shall be made and statements of verification shall be mailed to these taxpayers. The other accounts recorded by the collector shall be checked against the books of the Assessor's office and the Treasurer's office.

The total amount due the town as of the end of the year was approximately \$9,000.00 less than last year. The decline in outstanding taxes due the town is a reflection of the continuing efforts of the Collector and the cooperation of the taxpayers.

Tests of the Treasurer's records shall be made, also the commitments and the abatements of the Assessor's office.

I have decided not to seek the office of Auditor this year and at this time would like to express my appreciation to the officers' of the town for the cooperation and help extended to me throughout the past years.

Respectfully submitted,

FRED HEYWOOD, JR.,
Town Auditor

ARTHUR P. MILLER
Selectmen

Attest: Francis F. G. Andrews, Town Clerk

REPORT OF THE CHIEF OF POLICE

To the Board of Selectmen:

Gentlemen:

As your Chief of Police I submit the following report for the year 1968:

Arrests and Summons	8
M.V. Accidents investigated	66
House Breaks investigated	43
Thefts, investigated	25
Stolen Cars recovered	17
Miscellaneous Complaints investigated	254
Car Transfers Filed	878
Tickets issued for defective equipment	107
Pistol Permits issued	32
Firearm Identification Cards issued	196
Summons Served	88
Malicious destruction of property	23
Citations issued	8
Confidential reports	15
Dogs killed by autos	7
Stolen Cars reported	3
Boats Recovered	1
Missing persons reported	6
Miscellaneous Accidents investigated	4

We assisted the Registry and State Police on investigations, patrolled the Town on Holidays, directed traffic for the Dog Tracks, and furnished Police protection for private concerns.

We are a member of the Taunton Police Radio Network and the Telephone Answering Service.

Under the Acts of 1968, Chapter 737: Beginning January 1, 1969 all residents who possess or wish to acquire a firearm, must have either a Firearm identification Card or a Pistol Permit.

Again I thank the Selectmen, Police Officers, Firefighters, State Police, Registry, and all others for their excellent cooperation in carrying out the duties of the department.

Respectfully submitted,

HAROLD G. ASHLEY

Chief of Police

REPORT OF THE FIRE CHIEF

During 1968 the Fire Department responded to 87 calls: 43 for grass and brush; 20 involving buildings, chimneys, or heating equipment; 8 to the town dump; 8 motor vehicle fires; 5 false alarms; and 3 assists to other towns under the Mutual Aid agreement.

The town ambulance manned by Fire Department personnel was called upon 54 times during 1968: 14 trips to Morton Hospital; 10 to other area hospitals; 13 from hospitals to homes or area rest homes; 14 accidents; and 3 calls when the ambulance was not used.

Fire extinguishers in the public schools were inspected and trial runs with equipment were made to the Elementary School and Junior High School in conjunction with fire drills.

At the annual town meeting in 1968 an article calling for the establishment of the office of permanent fire chief was approved. The Selectmen appointed your present chief to the office and he assumed his duties on a permanent basis May 1, 1968.

A pick-up truck has been loaned to the Fire Department by the local Civil Defense. It is to be equipped with a 100 gallon water tank, portable pump, forestry hose, and a two way radio. It will be used on Fire Department business and also to fight small fires where the heavier apparatus is not needed.

The cost of repairs was quite a bit higher this past year due to the fact that the three oldest trucks, a 1942, 1947, and 1948, need increasing attention and repairs to keep them in service. It is felt that if the townspeople will approve an appropriation for a much needed new custom truck to be housed at the Common Station, two of the older trucks can be eliminated. This would reduce maintenance costs and also improve operating efficiency.

Our present "first out" truck is a 1953 model. The dependability and efficiency of this truck is becoming increasingly questionable the older it gets. If the townspeople are to continue to receive adequate fire protection, we must have the equipment to do it with. Action must be taken as soon as possible toward obtaining a new fire truck. It is estimated that it takes approximately one year from the date of order to delivery of a new truck. It is for this reason we feel action must take place now.

The people of the town are welcome to visit the Fire Station any time during the day to inspect the equipment and facilities.

I wish to thank the residents of the town for their co-operation in an effort to keep fires to a minimum. I also wish to thank the members of the Fire Department, Police Department, and Civil Defense, and all others who have helped me carry out the duties of this office.

Respectfully submitted,

FRANCIS E. FOURNIER
Fire Chief

BOARD OF REGISTRARS OF VOTERS

Predictably, with the state and town elections and the presidential and state primaries being held in 1968, the number of names of registered voters on the town's voting list increased by a few over 100, to 897 as of December 31, 1968.

With the increase in registrations, the certification of absentee ballots at the state election, and the street listing, the registrars were kept busy during the year. We thank the Library Trustees for the use of the Library for registrations.

In accordance with a law passed in 1968, there will be absentee voting at town elections hereafter, commencing in 1969.

Registrars Mrs. Carrie O. Bristol and Mrs. Mary M. Mitchell, with assistants Mrs. Rosemary Mount, Mrs. Mary A. Poirier and Mrs. Carolyn Silva, canvassed the town in January and February in connection with the annual street listing.

Respectfully submitted,

MARION I. NEEDHAM, Chairman

REPORT OF THE BERKLEY PUBLIC LIBRARY

To the Trustees and Townspeople:

Thanks for your continued interest in the library. The library is useful only to those who use it. We invite you to become one of those persons. Patrons were re-registered this year, with the following results: Adult card-holders—185; Juvenile—297; Total—481.

Books added this year:

Town purchase—Adult—78; Juvenile—152; Total—230

Added by gift—Adult—176; Juvenile—102; Total—280

Circulation: Adult—6,222; Juvenile—8,693; Total—14,915

Jr. Library Aid pins were earned by Sally Marshall and William Silva.

Books on the Dighton-Rehoboth Summer reading list were purchased and Berkley students made good use of them.

The School-Library Program was carried on as usual, with Mrs. Dewey, Mr. Pring and Mr. Martin accompanying classes to the library. Extra hours were added to library schedule to accommodate the seven classes. We still need many books in the Jr. High area to have an adequate supply for these classes. The complete listing of the Caldecott and Newbery Books are now available and children are invited to join the Reading Club of these books.

The Bookmobile under the direction of Mrs. Shelia Medeiros visits the library periodically. These books supply us with a great variety of books for our patrons. We borrowed approximately 4,750 books this year from this source.

The Eastern Region Inter-Library Loan functions well, with rapid delivery of the requested books. Miss Ruth Synan and Staff of the Taunton Public Library make this venture a satisfying and rewarding one. They loaned us 201 "special request books" this year.

The purchase of a Film strip Projector and film strips will enable us to offer a guide to the use of the library. This should be helpful to all school pupils, especially those who will be entering high school.

Your Staff members have attended meetings of the Old Dartmouth Library Club and the Village Green Club. Berkley Library was hostess to the Village Green Library Club in

December for their Christmas Party and meeting. Donors of book and periodicals are: E. Deal, A. Gonneville, D. Lucas, D. Gouveia, Dr. Burt Estate, S. Harrison, W. Ratcliffe, J. Moskal, L. Andrews, M. Woodward, Mrs. J. Babbitt, Mrs. J. Raymond, S. Raymond, D. Raymond, J. Caron, W. LeCorney, F. Farrar, H. Poole, H. Freeman, E. Whittaker, E. Longton, H. Joslin, W. Silva, T. Fazio, P. Brassard, M. Swartz, Mrs. H. Smith, D. Trond, S. Payz. Our appreciation to all.

My sincere thanks to the Trustees for their faithful attention to many details—their consideration of many problems and their unfailing encouragement at all times. To Mrs. Trond for her invaluable assistance.

Respectfully submitted,

H. M. CRAVEN

Librarian

REPORT OF THE TRUSTEES OF THE BERKLEY PUBLIC LIBRARY

Regular meetings of this board have been held on the third Wednesday of each month at the library. Walter Craven serves as Chairman and Carolyn Milko as secretary.

The highlight of the year has been the observance of the fiftieth anniversary of this library building. The first event held to commemorate the anniversary was the Cranberry Exhibit which was loaned to us by the Ocean Spray Cranberry Company and which included a very informative film. This exhibit was well received.

The Arts and Crafts Exhibit presented in June, under the able leadership of Mrs. Albert Senechal, brought to the public attention the many talented people we are fortunate to have residing in this town. It is felt that sufficient interest was shown in this project to warrant an annual affair. An art exhibit for the pupils at the Jr. High School was also shown, under the direction of Mrs. Sobel.

During August an Antique Show was held and this also proved to be a worthwhile and enjoyable exhibit which might be worth repeating. We wish to thank Mrs. Elwell Perry,

Mrs. Roger Chester, Mrs. Effie Robbins, Mrs. George Stetson and the exhibitors for their efforts in behalf of the show.

Letters were sent to various organizations in town to acquaint them with the availability of 16mm films through the Eastern Regional Public Library System, of which Berkley Public Library is a member. It is hoped that these organizations will avail themselves of this excellent program.

A secondhand typewriter and a new file cabinet have been purchased which we hope may ease the work of our dedicated librarian, Helen Craven. Our sincere and never ending thanks to her for her efforts in behalf of this library and its patrons, especially her work with the Jr. High pupils. We would like ,also, at this time to thank Mrs. Trond for her contribution to the efficient running of our library.

During the past year we had the parking lot at the rear of the library oiled. It was felt this would preserve the lot and keep it in good condition.

The hours at the library have been extended to include another night—the winter schedule is now as follows:

Monday	6:00 - 8:00
Tuesday	6:00 - 8:00
Thursday	10:00 - 8:00
Saturday	2:00 - 5:00

We have enjoyed a good year with one exception which we feel we must mention. This is your library which the librarian and trustees have strived to update and improve for your use but again this year we have had to spend money to replace an astounding number of broken window panes. This money could have been spent for books. We would much rather invite into the library those who find pleasure in damaging their library, to enjoy the wonder held on its shelves. No one need use the excuse they have nothing better to do with a whole world of knowledge and enjoyment just for the asking.

Our thanks to all who have served the library in any way and may we look forward to serving you in 1969.

Respectfully submitted,

WALTETR CRAVEN

JUNE MOSKAL

CAROLYN MILKO

REPORT OF THE PLANNING BOARD

During 1968 there were twenty-one (21) plans of land not requiring approval under the Sub-division Control Law were received by the Planning Board. There were no new sub-divisions during the year.

The Board also worked with the By-Law Committee, preparing the new By-Laws for the Town Meeting in June and September.

Ernest J. Poirier served as delegate to the Southeastern Regional Planning and Economic Development District.

Presently the Rules and Regulations Governing the Sub-division of land are being reviewed to see that they are consistent with the Sub-division Control Law and changes in legislation since 1961.

Respectfully submitted,

GEORGE A. MOITOZA
Chairman

Sanitation Inspector

INDUSTRIAL DEVELOPMENT COMMISSION OF BERKLEY, MASS.

During the year 1968, several meetings were held by the INDUSTRIAL DEVELOPMENT COMMISSION of the Town of Berkley, at the Berkley Junior High School.

The meetings, fairly well attended by members of the Commissions, kept the members fully informed of all new developments, and all new legislative acts or changes in same, pertaining to Industrial Commissions in cities and towns in the Commonwealth.

Number of new industries showed interest in available industrial and business locations and few new businesses were established.

Respectfully submitted,

EDMOND B. ST. YVES

Secretary

BRISTOL COUNTY MOSQUITO CONTROL PROJECT ANNUAL REPORT FOR 1968

On June 30, 1969 the Bristol County Mosquito Control Project will complete its tenth year of continuous effort to minimize the mosquito nuisance in the Town of Berkley.

Although our spraying operations were hampered by persistant rains during the month of June, our pre-hatch and drainage programs were conducted without serious interruption.

On January 1st our pre-hatch program was in progress and continued until the middle of May when the mosquitoes were on the wing. A total of 78 acres of mosquito breeding areas were treated.

Our spraying program was underway as mosquitoes began to emerge, but rain postponed many calls for service. All calls were answered as soon as the weather permitted. It was not until the middle of July that the Project could resort to any

scheduled spraying. Calls for service were still being received until September 6th when the mist blowers were removed and Project crews began removing accumulated debris from numerous ditches, brooks and streams. In this program 900 feet of ditch were reclaimed and 400 feet of brush removed to relieve flooding conditions. This program continued until winter ice conditions permitted our pre-hatch treatment to begin.

All Project trucks are now equipped with two-way radios making it possible to answer many calls without delay.

We thank the residents of Berkley for their cooperation in the past and we will continue to do our best to alleviate the mosquito nuisance in their town as well as in the other eighteen communities in Bristol County enrolled in this Project.

Respectfully submitted,

FRANK W. DILLINGHAM
Superintendent

REPORT OF THE DOG OFFICER

To the Board of Selectmen
Town of Berkley

Gentlemen:

There were 19 stray dogs confined and 32 dog complaints answered. A total of 40 court notices were sent out for non-payment of dog licenses and 11 persons were summoned to court.

I wish to extend my thanks to Francis Andrews, Town Clerk; Richard Perry, Treasurer; Harold Ashley, Chief of Police; The Board of Selectmen and the many Towns people for their help and cooperation.

Respectfully submitted,

JOSEPH H. MARSHALL
Dog Officer

REPORT OF THE INSPECTOR OF ANIMALS AND SLAUGHTERING

To the Board of Selectmen
Town of Berkley

Gentlemen:

I had two calls for dog bites. I inspected 49 barns and 485 animals. There was no slaughtering in the town for 1968.

Respectfully submitted,

JOSEPH H. MARSHALL
Inspector of Animals
Slaughtering

BOARD OF APPEALS

The Board of Appeals held two hearings requesting variances regarding boundary lines:

J. Luther Adams	(Granted)
Robert A. Makepeace	(Granted)

Expenses

Swartz Office Supply	\$16.50
Stamps	1.00
Taunton Daily Gazette	6.72
	\$24.22

Receipts

J. Luther Adams	\$10.00
Robert A. Makepeace	10.00
	\$20.00

A \$10 fee must accompany all applications for variances.

All variances granted are for a 6 month period from date of approval. After 6 months, if construction has not been started the variance becomes void and a new application must be obtained.

John Cambra is a new member of the Board appointed this year.

Respectfully submitted,

GEORGE W. STETSON, Chairman
WILLIAM L. SILVA, SR., Secretary
JOHN CAMBIA
Members of the Board

BRISTOL-PLYMOUTH REGIONAL VOCATIONAL TECHNICAL SCHOOL DISTRICT

Slightly more than a year has passed since this District was organized. During this time, the Interim School Committee has kept extremely active in an effort to make a Vocational-Technical School operative by the fall of 1971.

Early in the year an organizational meeting was held and Donald K. Atkins of Middleboro was elected Chairman with William R. Powers of Raynham as Vice-Chairman.

An operating budget for fiscal 1968 of \$35,000. was adopted. Under the agreement between the member towns, this sum was assessed to the municipalities on a basis of their current high school enrollments. Percentage shares of the members were ascertained to be as follows:

Berkley	2.46%
Bridgewater	15.34%
Dighton	7.20%
Middleboro	18.32%
Raynham	9.45%
Rehoboth	10.12%
Taunton	37.11%

Late in 1967 Governor Volpe signed into law Chapter 791 of the Acts of 1971 providing for 50% reimbursement of operating costs to Vocational Schools. Because the Commonwealth operates on a different fiscal year, our share was negligible this year but will be of significant help in the future.

The legal firm of Story, Thorndike, Palmer & Dodge was appointed bond counsel for the District with the Boston Safe Deposit and Trust Company as fiscal agents. These firms will advise and help with the procurement of funds for planning costs and bond issues when they are required. They have studied the laws pertaining to the organization of the District and the District to be duly and legally organized. Mr. Joseph C. Whitcomb of Middleboro was named treasurer for the District and commenced his duties on April 1.

It was determined that approximately \$350,000. would be needed to acquire a site and prepare plans for a school building. As most of these planning costs are reimburseable, the committee voted to borrow this amount and get started on the various planning phases.

To verify and up date the recommendations of the previous planning committee, the firm of Educational Consultants Council, Inc. was hired to prepare educational specifications for the District. After their investigation within the member towns, the initial curriculum was finalized. It was voted to plan a building to educate a student body of 810 students with a core facility for 1,000 students. Specifications for a school of this size were submitted to the Department of Vocational Education and a School Building Assistance Bureau. Both of these agencies have rendered their approval of these specifications.

The firm of Drummey, Rosane and Anderson, Inc., architects, was hired to prepare plans for the school building. A general layout of the building has been approved and it is anticipated that preliminary plans will be finished early in 1969.

Several sites were considered for the school. Because of location, ease of access, water and proposed sewage supply and ground tests that were taken, the land owned by Mary Simas and Emanuel Cabral at the corner of Hart St. and Route 24 in Taunton was selected for the school. An option has been taken on this land pending the outcome of the vote to build the school. Topographic surveys of the site has been completed and we are about to start the necessary subterranean investigations.

The most significant task faced by the committee was the selection of a Superintendent-Director for the School District. After considerable solicitation, screening and interviewing of candidates, Mr. Charles F. Day of Dighton was elected to fill the post effective August 1, 1968.

Mr. Day has been active in the field of Vocational Education within the area for the past twenty-five years and is

well known throughout the state for his ability in this profession. He was instrumental in the planning and development of the Dighton-Rehoboth Regional Vocational High School of which he was director. We are certain that through his knowledge of the subject and administrative ability we can look forward to a progressive educational facility that will economically meet the needs of the District.

Office space has been rented at 91 Winthrop St. in Taunton from which the District will be operated until the school becomes a reality in 1971.

Respectively submitted,

HERBERT L. McCLENTIC, Berkley

4. COMMENT

Although there has been a decrease in total outstanding taxes due the Town of Berkley, I am not pleased with payments this year. Therefore I must report that during 1969 I feel that most taxes 2 years old must be paid or abated to help rid the town of this financial burden.

I wish to thank the many Town Officials and residents of the town for their help and assistance given me during the year.

Respectfully submitted,

ALFRED F. TOWNLEY III
Collector of Taxes

Annual Report

of the

SCHOOL COMMITTEE

of the Town of Berkley

Year Ending, December 31, 1968

Town of Berkley
ANNUAL REPORT OF THE SCHOOL COMMITTEE
For the Year Ending December 31, 1968

SCHOOL COMMITTEE

	Term Expires
Mrs. Marie E. D. Aguas, Chairman Grinnel Street, Berkley	1969
Mrs. Laura W. Majcher, Secretary Berkley Street, R.F.D., Berkley	1971
Ronald F. Reynolds 515 Berkley Street, Berkley	1970

Superintendent

Robert T. Roy, B.S., Ed.M.

Residence: 313 Forest Street, North Dighton

and by appointment.

Business Assistant

James P. Horton

Secretaries

Gladys P. Babbitt

Nancy J. Goulart

School Physician

Dr. Stanley R. Parker, Jr.

School Nurse

Elizabeth J. Deal, R.N.

Attendance Supervisor

Tedfield J. Majcher

GENERAL INFORMATION

Birth Certificates

Presentation of a birth certificate is required for entrance to the first grade.

Vaccination

Every child who enters school for the first time must present a certificate of vaccination or a statement from his physician that vaccination is inadvisable.

No School Information

When weather conditions are such that our buses are unable to run, a no school notice will be broadcast over Radio Station WSAR, Fall River, Radio Station WPEP, Taunton, Radio Station WPRO, Providence, and Radio Station WARA, Attleboro. Parents are urged to use their own judgement about sending their children to school on stormy days. The fact that school is in session does not mean that attendance by all pupils is advisable.

Transportation

The law requires that transportation be provided for pupils residing more than two miles from the school attended or more than one mile from the nearest bus stop. Many pupils living at lesser distances along the established routes are transported if the seating capacity of the bus will permit. From time to time it is necessary to refuse transportation to some of those living under the required distance when our buses are filled to capacity with children living at a greater distance.

Entrance Age

First grade registration in September of any year will be limited to those children who are at least six years of age or who will become six years of age on or before the following January first. There will be no exception to this ruling. Registration must be during the first three weeks of school in September.

REPORT OF THE SUPERNTENDENT OF SCHOOLS

To the Citizens of the Town of Berkley:

I hereby submit my fourteenth annual report. Incorporated herein is the report of the Berkley School Committee, the School Nurse, the Principal and the Music Department.

Personnel

Mrs. Madelyn Moynihan, science teacher and Miss Kathryn Dunlap, English teacher left in June. The former moved to Washington, D.C. and the latter is teaching in Seekonk, Mass.

Mr. Paul Norigian a graduate of Barrington College was hired to teach science. Mr. Edward Martin a graduate of State College at Bridgewater is the new English teacher. Mr. James Pring of Taunton was hired as a new teacher to take care of the overcrowding. Mr. Pring is a graduate of Barrington College. Mrs. Jean Baldwin is the new part-time home economics teacher. At the Elementary School Miss Mary Lou Kelley was hired to teach first grade. She had formerly taught in New Bedford. Miss Susan Dupuoy, a graduate of Massachusetts College of Art is a teacher in the fourth and fifth grade unit and handles the art program. She was a part-time teacher last year. Mr. Peter Abramo has replaced Mr. Carl Rand as instrumental music teacher.

Our teacher turnover is not too great and we seem to lose most of our teachers for reasons other than seeking new positions.

Finances

The budget increase for the 1969 year is \$66,623.00. The largest increases are \$27,000.00 for instruction, teacher salaries and \$30,000.00 for tuition. The tuition increase is brought about by a \$150.00 increase in tuition per pupil and an increase in the number of pupils attending high school. Other increases are \$2,000.00 in maintenance due to anticipated repairs at both schools, and \$2,500.00 vocational education due to increased tuition costs.

A new item this year is \$2,800.00 for a summer kindergarten program. This amount covers teacher salaries and pupil transportation. This program was tried on an experimental basis last year and proved to be successful.

The total sum represents an increase of 23% over last year. Most towns show an increase of 18 to 20%. Our larger increase is because of increased tuition.

Enrollment and Buildings

Our enrollment shows an increase of 23 pupils. We are already overcrowded and have no space for additional classrooms.

While the voters made a strong attempt to join a regional district in December it was a case of too much too late. We must produce classroom space in some manner very soon. Add to this the increasing enrollments at Dighton-Rehoboth Regional High School and you can see the problems we are facing. It is doubtful that we will receive aid from the State to add classrooms so we must continue our efforts to find a regional partner.

As for our present buildings they are kept in good condition by the efforts of Mr. Richard Babbitt and Mr. Tedfield Majcher despite the large numbers using the buildings.

Considerable damage was done at both buildings last fall by persons who broke in at night. These intruders caused damage estimated at several thousand dollars. We must in the next year come up with some workable solution to our building program.

Conclusion

A great deal of credit should go to Mrs. Adele Viveiros and her cafeteria workers for not only producing the same excellent meals again this year but also showing a profit. We appreciate these efforts.

Mrs. Elizabeth Deal, R.N. in her second year as school nurse has carried out the health program in a creditable manner.

I wish to thank all civic organizations who have helped the school program in any way.

Finally, I wish to thank Mr. J. Gerald Fleming, Principal and his teachers for the efforts in extra study and extra meetings to introduce a continuous progress program of learning. This program through their efforts has gotten off to a good start and we hope parents will soon realize the values of such a program.

Parents are welcome to visit school any time and observe their children at work.

Respectfully submitted,

ROBERT T. ROY

Superintendent of Schools

REPORT OF THE PRINCIPAL

Mr. Robert T. Roy
Superintendent of Schools

Dear Mr. Roy:

I herewith submit my tenth annual report as principal of the Berkley Public Schools.

Any report of school activities in 1968 would be inaccurate if it did not include a very glum picture with much brightness in the educational field.

The bleak aspect to which I refer is the series of breaks and acts of vandalism which beset our schools during the year. In the past there had been isolated incidents of vandalism, but nothing to compare to this year.

The junior high school seems to have been the most vulnerable, since it was there that the following happened: rocks thrown through windows, obscene language painted on the blacktop, flagpole stolen, building broken into and a clock stolen, and finally the break in November when both the school and town offices were ransacked.

At the elementary school only minor incidents occurred until November 15 when the school was broken into and ransacked. A large sum of money, belonging to the PTA from its learning festival, and a turkey from the cafeteria were stolen. On December 15 the school was broken into again and this time 2 typewriters, a stereo phonograph, a TV set, 9 turkeys, and the children's Christmas gifts were stolen. The typewriters were later recovered, completely ruined, in the Taunton River where they had been thrown off the Dighton-Berkley bridge.

Enrollment

At the risk of having these annual reports sound repetitious, I must again report a substantial growth in the number of children attending our schools. Our October 1, 1967 enrollment total was 357 pupils in both schools. This year the figure on opening day was over 380. This has changed slightly but we still have 378 enrolled which is a growth of almost one full classroom. We did not have a classroom so this growth pattern necessitated the readjustment of the entire junior high school schedule.

Junior High

Since the largest increase occurred at the junior high, we might best treat that area first. For many years we have been able to use half of the auditorium for a music room on certain days, an art room on certain days, and an home economics room another day. Because of the added class this room became a classroom which meant: the art teacher moved from room to room; the music teacher moved to different rooms and therefore did not have the use of the piano; home economics was moved to the cellar to the area used on other days as an industrial arts shop. None of these moves have provided what might be considered conducive educational environments.

Since we had new teachers in all three areas, the problem became compounded. Only Miss Dupouy, the art teacher, had previous teaching experience.

Our instrumental music program, which should be functioning well by junior high school, got off to a shaky start this year due to the illness of Mr. Rand. When he left we were fortunate to get a person of Mr. Peter Abramo's ability and he is striving to give us the type of program the students deserve.

The vocal music program, under the direction of Joel Gressel, did not function as desired. Through mutual agreement he will terminate his services at the end of 1968 and hopefully we will find someone who will give the students a more rounded music program.

The only bright spot in the junior high music picture is the glee club organized and directed by Mrs. Barbara Wallace, our elementary music supervisor. This came about as a result of many students requesting the opportunity to carry on with Mrs. Wallace's glee club as they had done in elementary school. We were able to schedule this in the program and she has 85 pupils who meet twice a week to rehearse. To date they have sung at three different functions.

We continue to offer our junior high students as much of a subject-centered curriculum as possible. All students have English and Math 5 times a week, Science Social Studies and Reading 4 times a week. Physical Education, Home Economics or Industrial Arts and Music twice a week, and Art once a week. Latin is offered as an elective to our eighth grade pupils. Study periods are held to a minimum as it is

my philosophy that school time can be much better spent than in study periods.

Unfortunately, because of the number of students and the physical makeup of the building, we are unable to offer our students some of the programs that are offered in Dighton and Rehoboth. We cannot give our eighth graders algebra or introductory physical science as the other two towns do.

In addition to the regular academic work, we endeavor to offer as much extra-curricular activity to the students as possible. Basketball and baseball teams are available to the boys and softball and cheerleading for the girls.

Dances for junior high and upper elementary grades are being held again under the sponsorship of the Berkley Lions Club.

Elementary School

It is with pride and pleasure that I report to you that our "Continuous Progress Plan" is operating smoothly and efficiently. Patterned after the program instituted in Avon, Connecticut by Robert T. Linstone, a nationally famous educator in non-graded education, the "Berkley Plan" has been written entirely by the teachers and principal of the elementary school.

Most of the faculty and myself visited Avon during the last school year and witnessed their program in operation. In addition, Mr. Linstone came here last January and gave a two-day institute to teachers of this school union with gratifying results.

After studying the non-graded or continuous progress proposal for two years, and writing our own program during the second half of the past school year, we embarked upon the program in all grades when school opened in September. All students were tested in the spring to insure their proper placement in the fall. Parent nights were held at P.T.A. meetings when we attempted to explain the program to the parents of elementary school students.

In effect, instead of a student being assigned to a classroom from September to June to cover a textbook, and therefore a "grade's" work, we have now broken down these segments of work into levels. Generally speaking there are four levels to a grade and a student proceeds from level to level, or room to room, whenever he is ready and not necessarily

when a group or room of children are ready. This program is truly geared to the needs of the individual child, which is really what education is all about.

In January, parent teacher conferences will again be held when each parent will be assigned to a 15 to 20 minute period of time to come to school and discuss his child's progress with the teacher or teachers involved.

It is not unusual in any equivalent grade for a child to see more than one teacher during a school day. The reason for this is that different levels in math and reading are being taught in various rooms at different times during the year.

Subjects other than math and reading are taught by the unit method. In order to keep parents better informed of pupil progress, a report is sent to the parents each time a child completes a level. These level cards describe in detail the items a child has completed on a level and notations made of strengths and weaknesses. These level cards are a supplement to the new report cards which continue to be issued quarterly.

Another innovation at the elementary school this year is a teacher aide. Mrs. Avis Walker works part of each day and handles such duties as library, recess duty and cafeteria duty. With this help the teachers are given more time for planning and preparation of material.

Mrs. Barbara Wallace, vocal music supervisor, visits each intermediate classroom twice a week and each primary classroom once a week. In addition, she meets with her 65-member glee club twice a week.

Miss Susan Dupouy, in addition to teaching an intermediate math class daily, and the aforementioned junior high school art classes, teaches art in each elementary class weekly.

We feel that the students are the beneficiaries in this rearrangement and utilization of personnel.

For the first time, the school department sponsored a 5-week summer kindergarten which provided an excellent introduction to school to those youngsters who were entering school for the first time in September. Although a few had attended private kindergarten the previous school year, we feel that they too gained from the summer experience. The proof of its value was visible on opening day, when, despite the highest enrollment ever, we observed the smoothest operating opening day to date.

General

There are many facets of the daily life of a school that fail to gain notice in an annual report. The lack of mention of any of these in no way minimizes their importance. Many persons and groups donate time, effort and financial support to the school as a supplement to the annual appropriation voted at town meeting.

Once again the Berkley Police Association provided the funds for the annual Christmas party. And, although the gifts purchased for the children were stolen, the party was a success.

Chief Francis Fournier of the Berkley Fire Department cooperated fully with the school administration throughout the year, but especially during Fire Prevention Week and our first experience with a bomb scare.

Mr. Clarence Trenouth, our most dependable bus contractor, as always made busses available for any school function when they were required. He again took all elementary children on class trips.

Members of the Berkley Lions Club provided funds and manpower for the monthly square dance lessons which always attract over 100 students.

The Berkley American Legion Post this year provided cookies which were distributed at the Christmas party.

The Berkley P.T.A., under the presidency of Kathleen Collins, has worked for school projects but, as always, could use more active members. Once again the group provided the funds for the annual eighth grade banquet in June.

Mrs. Walter Craven, town librarian, again arranged her schedule to meet the needs of our junior high students. This entailed much sacrifice on her part with the increased number of classes and one class arriving at the library at 7:45 A.M.

Conclusion

As we bring this tenth report to a conclusion we are ever cognizant of the part being played by the members of the staff on a day-to-day basis.

To you, Mr. Roy, I express sincere gratitude for your guidance and understanding rendered over the years.

The members of the school committee have tried to provide the students with the best possible educational environment.

The faculties of both schools, which continue to grow, have worked tirelessly at their tasks. The elementary faculty worked especially hard in the institution of the continuous progress plan.

The part time members of the faculty have all made a contribution to the cause but we would be remiss if we failed to mention the time and effort contributed by Mrs. Wallace in the presentation of the annual spring music program and the concert trip and picnic which she arranged for the glee club.

Mr. Richard Babbitt continues to work tirelessly in keeping the elementary school and its grounds in excellent condition. His Christmas display on the roof, which he constructed on his own time, greatly enhanced the season.

Mr. Tedfield Majcher keeps the junior high school in good repair against formidable odds. He put much time and effort into painting the outside this summer.

The school nurse, Mrs. Elizabeth Deal, is continually keeping the health of all children foremost in her mind. All children have physical examinations and vision and hearing tests periodically.

The cafeteria workers, under the direction of Mrs. Adella Viveiros, provide the students with a hot nutritional meal daily. Student participation in this program remains at a high percentage.

The school secretary, Mrs. Janice Shepard, keeps multitudinous records, both scholastic and cafeteria, up to date and we are grateful for her help.

Most of the parents cooperate fully with the school and it is this spirit of cooperation which will benefit their own children in the long run. This cooperation is deeply appreciated.

Finally, we hope that this decade of service has been valuable to the hundreds of students with whom we have come in contact. It has, for us, been a truly rewarding experience to have been a part of the growth from the 6 room building with 6 teachers and 197 students to the present 2 buildings with almost 400 students and 26 faculty members.

Berkley is growing, not with an astounding influx at once, but with a steady gradual growth. It has been satisfying to guide the educational growth in keeping with the era in which we live, and in preparation for the age in which our students will live.

Respectfully submitted,

J. GERALD FLEMING
District Principal

ELEMENTARY VOCAL MUSIC REPORT

Mr. Robert T. Roy
Superintendent of Schools

Dear Mr. Roy,

I herewith submit my third annual report as Elementary Vocal Music Supervisor.

All elementary classrooms were visited once each week. The assistance and cooperation of classroom teachers as well as the continued purchase of textbooks, recordings, and classroom instruments contributed to the further growth and development of the varied program of musical activities.

The elementary school glee club of approximately 65 students from the intermediate grades contributed to an enjoyable "Night in Disneyland," the annual Spring program in which all elementary grades participated. In May they presented a program for the students of the Kingston Elementary School, followed by a picnic lunch at Plymouth Monument and a visit to Plymouth's National Wax Museum. They also provided a portion of the Christmas P.T.A. program as well as a program for the students of their own school.

As of September a second day was added to the elementary vocal music schedule. In addition to making it possible for the intermediate grades to have their two periods of music per week with the vocal music supervisor and for the elementary glee club to have two rehearsals per week, a junior high glee club was established during school in which approximately 85 students participated in two 45-minute rehearsals each week. This choral group presented its first program at the Christmas meeting of the P.T.A. and then sang again at the junior high's first Christmas assembly in many years.

I enthusiastically look forward to another year of growth in the vocal music area of the Berkley schools' curriculum.

Respectfully submitted,

BARBARA L. WALLACE
Elementary Vocal Music Supervisor

REPORT OF THE SCHOOL NURSE

Mr. Robert T. Roy
Superintendent of Schools

Dear Mr. Roy:

I herewith submit the 1967-1968 school health report as school nurse for the second year.

The school health services offer many programs aimed at promoting the growth and development of each individual child. Careful health appraisal of each child's status is determined by constant teacher-nurse evaluation. I regard the teacher as one of the key persons in the health program because of her day-to-day contact with the pupils. She can detect a change in health behavior and send the student to me for further evaluation. May I stress that it is not my position to make diagnosis but to refer a child to their parents when a deviation from normal is noticed.

In Massachusetts, the law requires that the vision and hearing of all public school children be tested each year. This year, 356 students were tested with 37 vision failures and 11 hearing failures. There were 6 vision and 3 hearing failures who were not seen by a doctor. I would like to see 100% corrected referrals, but the parents must realize the possible consequences if the child's problem remains untreated. It also handicaps the child's ability to progress to the best of his ability.

School physicals were performed by Dr. Stanley Parker, school physician. Parents of the first graders were invited and 7 attended. Most of the failures were dental problems which I find a lot of parents tend to neglect. Care should be taken of the first set of teeth so no further complications will result. I am trying to promote an appreciation of students of good oral health and its relation to general health and appearance.

Heights and weights were recorded and conferences were held with students having a problem in this area.

I have tried to update the school records so the parent can be notified in case of an emergency. Failure to notify the school when a change takes place results in confusion when an emergency arises. Transportation of the sick child is a responsibility of the parent.

The new state law requiring immunization against small-pox, diphtheria, pertusis, poliomyelitis, tetanus, and measles is now enforced before a child can start first grade. Children in school will be urged to complete their immunizations at future clinics.

According to law a child may not return to school after exposure to or illness with a communicable disease unless he brings a certificate from the board of health or a doctor. It is also the school policy that after absence of three consecutive days, a certificate from the doctor be presented upon return to school.

I wish to express my sincere gratitude to those who have actively cooperated in attaining the goals of the school health program. The primary responsibility is that of the parents supported by the efforts of Dr. Parker, you, Mr. Roy, Mr. Fleming, the Teachers, the lunch room staff, Mr. Babbitt, Mrs. Shepard, and the volunteers who assisted at the immunization clinics.

Respectfully submitted,

ELIZABETH J. DEAL, R.N.

WARRANT FOR ANNUAL TOWN MEETING

March 10, 1969

ARTICLE 1. To hear the report of the Finance Committee, or act thereon.

ARTICLE 2. To act on the reports of the town officers.

ARTICLE 3. To see if the Town will vote to authorize the treasurer, with the approval of the selectmen, to borrow money in anticipation of revenue for the financial year of 1970, and to issue a note, or notes, therefor, in accordance with the provisions of Chapter 44 of the General Laws, or act thereon.

ARTICLE 4. To see if the Town will vote to authorize the selectmen to contract with the Department of Public Works and County Commissioners of Bristol County for the construction and maintenance of the public highways for the ensuing year, or act thereon.

ARTICLE 5. To see if the Town will vote to fix the salaries and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41 of the General Laws as amended, as follows: Moderator, Selectmen, Board of Health, Auditor, Treasurer, Collector, Assessors, Town Clerk, Constables, Tree Warden, Highway Surveyor, Board of Public Welfare, School Committee, Library Trustees Chairman, and Burial Ground Commissioners, and raise and appropriate sums of money for same, or act thereon.

ARTICLE 6. To see if the Town will vote to raise and appropriate sums of money for the following expense accounts, namely: Finance Committee, Industrial Development Commission, Selectmen, Auditor, Treasurer, Collector, Assessors' Clerk, Assessors' Expense, Assessors' Legal Counsel, Town Clerk, Planning Board, Board of Appeals, Moderator, Tax Title Expense, or act thereon.

ARTICLE 7. To see if the Town will vote to raise and appropriate sums of money for the following departments, namely: Town Counsel, Elections, Registrations, Town Hall, Police Department, Fire Department, Tree Department, Dog Officer, Board of Health, Civil Defense, or act thereon.

ARTICLE 8. To see if the Town will vote to raise and appropriate a sum of money to be expended in suppressing the

gypsy and brown tail moth; also a sum of money for Dutch Elm Disease Control, or act thereon.

ARTICLE 9. To see if the Town will vote under the provisions of Section 4-A of Chapter 41, to authorize certain town boards to appoint one or more members to other positions, and fix the salary for same, or act thereon.

ARTICLE 10. To see if the Town will vote to raise and appropriate a sum of money for the Towns share of Chapter 81 Highway Maintenance, and to authorize the treasurer, with the approval of the selectmen, to borrow money for the State and County shares, and to issue a note or notes therefor, in accordance with the provisions of Chapter 44 of the General Laws.

ARTICLE 11. To see if the Town will vote to raise and appropriate a sum of money for the Towns share of Chapter 90 Highway Maintenance, and to authorize the treasurer, with the approval of the selectmen, to borrow money for the State and County shares, and to issue a note or notes therefor, in accordance with the provisions of Chapter 44 of the General Laws.

ARTICLE 12. To see if the Town will vote to raise and appropriate or appropriate and transfer a sum of money from the Overlay Surplus Account to be spent for highway construction on Anthony Street.

ARTICLE 13. To see if the Town will vote to appropriate and transfer from available funds or appropriate and transfer a sum of money from the Overlay Surplus Account for Chapter 90 Highway Construction, or take any action in relation thereto.

ARTICLE 14. To see if the Town will vote to raise and appropriate or appropriate and transfer a sum of money from available funds to the Engineering, Legal Fees, North and South Main Street Account, or act thereon.

ARTICLE 15. To see if the Town will vote to appropriate and transfer a sum of money from available funds to be spent for Highway Construction on Green Street.

ARTICLE 16. To see if the Town will vote to raise and appropriate sums of money for the following accounts, namely: Berkley-Dighton Bridge Expense, Road Machinery Account, Street Lights, Snow Removal, Sanding and Snow Fence, Care of Berkley Common, Town Reports, Town Water, Ceme-

teries, Veterans' Memorial, Town Buildings and Public Liability Insurance, Building Inspection Fees and Expenses, Sanitary Inspection Fees and Expenses, Reserve Account, Compensation Insurance, Interest on Loans, Bristol County Retirement Assessment, Berkley Group Insurance Plan, or act thereon.

ARTICLE 17. To see if the Town will vote to raise and appropriate sums of money for Welfare Administration and Veterans' Services, or act thereon.

ARTICLE 18. To see if the Town will vote to raise and appropriate a sum of money for the School Department, or act thereon.

ARTICLE 19. To see if the Town will vote to raise and appropriate a sum of money and authorize the treasurer, with the approval of the selectmen, to borrow up to and not exceeding a sum of \$18,000 for the purpose of purchasing a new fire truck, including necessary equipment. Truck and equipment must meet the approval of the New England Fire Insurance Rating Association, or take any other action in relation thereto.

To see if the Town will vote to amend the by-laws, Article 1, Section 2, by deleting the words, "There shall be elected annually on the third Monday in March," and inserting in place thereof the words, "There shall be elected annually on the Saturday following the second Monday in March,".

ARTICLE 26. To see if the Town will vote to raise and appropriate a sum of money for the Bristol-Plymouth Vocational Technical School District.

TOWN OF BERKLEY**REPORT OF THE FINANCE COMMITTEE FOR 1968**

The Berkley Finance Committee has held necessary meetings during the year to perform its function of making recommendations on all items of appropriations and of making transfers from the Reserve Fund.

As in the past, attendance at meetings has been near perfect. The Committee has at all times based its recommendations on the material and facts that it has been able to ascertain. We feel that in each instance, the recommendations were valid.

We thank the voters of Berkley who have in most instances supported these recommendations. We solicit your criticism and suggestions and pledge to work in the interest of all.

We commend department heads in the prompt submission of their budgets and their willingness to meet with us for necessary explanations.

In the coming year, we pledge our efforts to serving the citizens of Berkley. Our recommendations at town meeting will be carefully considered. We ask your support.

Transfers from the Reserve Fund were as follows:

\$ 50.00 to the Moderator's Expense Account
139.01 to the Elections Expense Account
87.00 to the Green Street Account
200.00 to the Dog Officer's Account

Respectfully submitted,

EARL WILSON, JR., Chairman
RICHARD H. PEYTON, Secretary
DONALD R. PECK
THOMAS NELSON
GEORGE W. STETSON
CALVIN C. OVERLOCK
DAMON E. CLEGG
